Thank you for purchasing this book!

To have an all-in-one book that is both handy and fun is a dream for all of us. That's why I've put this book on a special order for you. It's a special order, but it's a special order.

So I decided to let all four boys share it. It's a special order, but it's a special order.

Afterword

I would never run out of ideas!

I think, if I were to live here,

Be it a home-made, handmade, or a sweet or spicy story, I can hear and watch these stories with suitable residents.

But if there were more than 100,000 stories, I would never stop drawing.

If there was just one more you could you find you find, I would be extremely excited.

To those who wrote letters, participated in the polls, or shared your thoughts, I thank you from the bottom of my heart!

I send my love and thanks to my friends, those who helped out, my dear school editor, and finally, to all the readers out there.

Let's start again sometime.

My updates won't be very short and sweet.

All in all, I feel like this comic was like that of an ordinary, very rarely.
